

**3<sup>rd</sup> Mozambique Mining, Oil & Gas and Energy Conference & Exhibition**  
 24<sup>th</sup> & 25<sup>th</sup> of April 2012, Maputo, Mozambique  
 Joaquim Chissano Conference Center

**Mozambique  
 Mining & Energy  
 Conference & Showcase**

**MMEC**

**24 - 25 APRIL 2012**

**JOAQUIM CHISSANO CONFERENCE CENTRE • MAPUTO • MOZAMBIQUE**

**“Mozambique’s only Oil & Gas, Mining and Energy Conference”**

**Organized by:**

**Sponsors:**

**www.mozmec.com**

*“Utilising Mozambique resources as the engine for sustainable development and economic integration”*

***The national oil company of Mozambique, ENH, and the directorate of mines of Mozambique, DNM, are pleased to announce the organisation of the 3<sup>rd</sup> Mozambique Mining & Energy Conference & showcase (MMEC)***

The **MMEC** is the premier established event focusing on the Mozambique Mining, Energy, Oil & Gas sectors and their sustainable development. **MMEC 2012** will feature two days of conference sessions, a trade exhibition, workshops as well as touristic trips. It will gather key actors and partners in the mining, oil & gas and energy industries.

Mozambique  
Mining & Energy  
Conference & Showcase

**MMEC**

24 - 25 APRIL 2012

JOAQUIM CHISSANO CONFERENCE CENTRE • MAPUTO • MOZAMBIQUE

**Share your experiences!**

*“The only conference bringing together the leading players in the Mozambique mining and energy sectors.”*

**Deepen your knowledge!**

*“Attend three different workshops to expand your knowledge on local content development, health and safety and potential integrated projects in Mozambique’s extractive industry.”*

**Exhibit!**

*“Don’t miss this opportunity to join our already confirmed exhibitors in marketing your products and/or services to Mozambique’s key decision makers.”*

# 3<sup>rd</sup> Mozambique Mining, Oil&Gas Energy Conference & Exhibition

24 – 25 April 2012, Maputo, Mozambique

## Conference Program

<b>Day 1: Tuesday 24<sup>th</sup> April</b>	
08.00 – 10.00	Coffee & Registration
10.00 – 11.00	Official opening ceremony, with opening speeches by the Platinum sponsors
11.00 – 11.30	Coffee Break & Formal Opening of MMEC Exhibition
<b>11.30 – 12.30</b>	<b>Session 1: Overview and State of the Mozambican Mining, Hydrocarbons and Energy Sectors</b>
♦ Overview of the mining sector ♦ Overview of the oil and gas sector ♦ Overview of the power sector	
12.45 – 14.00	Lunch Break
<b>14.00 – 15.00</b>	<b>Workshop 1: Health and safety</b>
<b>14.00 – 15.00</b>	<b>Session 2: Legal Aspects of the Extractive Industry</b>
♦ The Mining and Oil and Gas Legislative & Fiscal Framework ♦ Meeting international standards in the extractive industries ♦ The regulatory framework and strategies for investing in Mozambique's extractive industries ♦ Revising Mozambique Mining Law	
<b>15.00 – 16.30</b>	<b>Session 3: Infrastructure Development in the Extractive Industry</b>
♦ Innovations to increase Mozambique's railway capacity ♦ Developing Mozambique shipping facilities ♦ Innovative concepts: how to deliver coal from the mine to the port ♦ How to develop infrastructure to meet growing demand	
16.30 – 17.00	Coffee Break
<b>17.00 – 18.20</b>	<b>Session 4: Money Matters: How to Successfully Access Local and International Financing</b>
♦ Financing large scale mining projects ♦ Case studies: bank & investment institutes role in financing Mozambique's extractive industry ♦ Financial risks in Mozambique and how to address them	
19:30 – 22.00	Official Gala Dinner

<b>Day 2: Wednesday 25<sup>th</sup> April</b>	
08.30 – 09.00	Coffee & Registration
<b>09.00 – 10.30</b>	<b>Session 5: Current Mining Projects in Mozambique</b>
♦ Project case studies	
10.30 – 11.00	Coffee Break
<b>11.00 - 12.30</b>	<b>Workshop 2: Development of Local Content: encouraging local participation in the development of Mozambique's minerals sector</b>
<b>11.00 - 12.30</b>	<b>Session 6: Oil and Gas Development in Mozambique</b>
♦ Global gas dynamics: current assessment of LNG pricing and Long Term Contracts ♦ Project case studies	
12.30 – 14.00	Lunch Break
<b>14.00 – 15.30</b>	<b>Session 7: The Outlook on Mozambique Power Sector</b>
♦ Current power generations and requirements ♦ Coal's role in power generation ♦ What role does gas play in power generation? ♦ Looking ahead: how is Mozambique planning on increasing its power generation?	
15.30 – 16.00	Coffee break
<b>16.00 – 17.30</b>	<b>Workshop 3: Mozgas: The New Major Gas Production Centre</b>
<b>16.00 – 17.30</b>	<b>Session 8: Corporate Social Responsibility/Local Capacity Building</b>
♦ Mining companies and their role in eradication of poverty/community development ♦ Environmental protection and Mozambique's mining industry ♦ Vocational training and skills development ♦ Technology Transfer	
17.30 – 18.00	Closing Remarks & Presentation of the conference report
19.30 – 22.00	Closing Cocktail reception

If you would like to make a speech please send your title of presentation along with a short biography to [roochita@ametrade.org](mailto:roochita@ametrade.org)

# Workshop Program

## Day 1: Tuesday 24<sup>th</sup> April 2012

### 14.00 – 15.00 Workshop 1: Health and safety

- ◆ Safety awareness on mining sites
- ◆ Meeting occupational health and safety standards
- ◆ Disaster management: how to proactively deal with disasters
  - Latest technologies available to assist in disaster manager
- ◆ Mining responsibly: how to minimise costs to society
- ◆ Environmental impact assessment
  - Minimising costs to the environment

The aim of this workshop is to increase awareness on health and safety issues when it comes to mining activities. Moreover, the workshop will also focus on environmental issues and the measures to be taken to decrease costs to the environment and society in general. Participants: advocacy group, lawyers, health and safety experts, ministries, mining companies.

## Day 2: Wednesday 25<sup>th</sup> April 2012

### 11.00 – 12.30 Workshop 2: Development of Local Content: encouraging local participation in the development of Mozambique's minerals sector

- ◆ How to maximise benefit from the minerals sector?
- ◆ Adding value to the supply chain
  - Government's role in incorporating small and medium enterprises (SMEs) into the supply chain
  - Industrial integration: strategic alignment of capacity building, financial services, government participation, business climate etc
- ◆ The role of financial institutions: how can SMEs have access to local finance
- ◆ Strategies for competitiveness in SMEs
- ◆ Examples of local content regulations around the world
- ◆ Is there a scope for local content law in Mozambique?
- ◆ How will local content influence procurement and contract policies?

At the end of the workshop, participants will understand the importance of local content development and the efforts and progress made with regards to the government and other institutions' role to enhance local content in the oil and gas industry for national economic development. Participants: Lawyers, Local and International banks, consultants, ministries, state owned companies, SMEs.

### 16.00 – 17.30 Workshop 3: Mozgas: The New Major Gas Production Centre

- ◆ World gas demand and supply
- ◆ Gas exploration, extraction and production
  - Geological surveys, onshore/offshore seismology, magnetometers, gravimeters, logging, etc.
  - Exploration and production challenges
- ◆ Key elements of the LNG value chain
  - Adding value along the LNG value chain
- ◆ Gas distribution and storage: effective and efficient movement of natural gas from point of production to point of consumption
- ◆ Gas exploration paving the way to infrastructural development
- ◆ How the gas industry can bring about growth in other industries
- ◆ Monetization of gas
- ◆ LNG pricing and export
- ◆ Legal framework regulating the gas industry
- ◆ Success story: Qatargas, Kogas, Rasgas

The aim of this workshop is to shed light on the full gas value chain and its growing importance in Mozambique. Additionally, potential integrated projects arising from gas exploitation will also be discussed. Participants: Gas exploration and production companies, government officials, consultants, ministries, service providers.
